MACV-SOG Green Beret **Richard Rice**

Join us for an evening of camaraderie, storytelling, and reflection as Vietnam Veteran Richard Rice—who served as a Green Beret in MACV-SOG in Vietnam and later became one of the founding members of Delta Force—shares his powerful experiences from before, during, and after active duty.

Richard will be joined by other veterans, each bringing their own compelling stories from their time in service and the challenges they faced upon returning home. Together, they will offer personal insights into bravery, resilience, and the difficult path to reintegration into civilian life.

This is a unique opportunity to listen, reflect, and connect with both the veterans and the community. Come and be part of this meaningful event as we honor their service and learn from their journeys.

Fee: \$10 Per Person
